

**Missouri State Library
Technology Mini Grants
Awarded October 31, 2022**

Technology Mini-Grants provide funds to public libraries to assist with funding technology and automation related equipment, other hardware, and software to improve the library's network infrastructure. These grant funds can be used to replace older or purchase new equipment in order to provide improved library services.

Thirty Five Technology Mini-Grant grant applications were received, requesting a total of \$482,393.28. Twenty-seven grants were awarded a total of \$325,370. The grant period will begin November 15, 2022 and will end May 15, 2023.
